ABOUT ME

I'm a Creative thumbnail designer skilled in Photoshop, Canva, and Figma, with a strong eye for visual storytelling and design trends. I craft high-conversion thumbnails using effective color theory, typography, and layout principles to boost engagement and clicks.

PROJECTS

Thumbnail Designer

Freelancer   2025 – Present

- Designed 20+ thumbnails with an average CTR (click-through rate) improvement of 45%
- Practiced creating thumbnails for sample YouTube content across niches like Documentary, Podcast, and vlogs to understand audience engagement patterns
- View my Portfolio for real Thumbnail samples: **www.revanthdesigns.vercel.app**
